EXPERIENCE

Everett Toyota of Paris, Paris, TX — *Porter*

APRIL 2018 - DECEMBER 2018

Assisted customers and management with various tasks; spent a lot of time detailing vehicles and keeping things organized. Helped customers get what they needed or get to where they needed.

The Home Depot, Paris, TX — *Merchandising*

MAY 2019 - SEPTEMBER 2019

Summer job 2019. Performed daily customer service tasks around the store, kept bays clean and organized. Worked with storeside employees and Merchandising Execution Team to execute retail projects all over the store.

Paris Pro Products, Paris, TX — *CAD Tech / R&D Tech*

AUGUST 2020 - PRESENT

Act as one half of the CAD department designing various parts for our products. Work in a multitude of 3D design suites, develop bills of material, and perform a huge variety of research and development duties in a casual office environment under direction of our engineering team at Agpro and Five G Consulting. This includes a little of everything -- IT work, Linux development, PIC programming, PCB assembly/troubleshooting, graphic design, and a lot of hands-on technical work with the products we are developing.

EDUCATION

Paris Junior College, Paris, TX — *CAD Technician*

AUGUST 2019 - PRESENT (2020 GRADUATE)
